

IIM, Raipur hosts panel discussion on ePGP for prospective students

■ Staff Reporter

RAIPUR, Sept 29

INDIAN Institute of Management (IIM), Raipur along with the technology partner Nulearn organised a panel discussion in webinar mode about the upcoming Executive Post Graduate Programme (ePGP) for prospective students on September 26.

From IIM, Raipur, Dean (Academics) Professor Sanjeev Prashar and Chairman of ePGP and Online Executive Education Programmes Professor Mohit Goswami were the panelist. CEO of Nulearn Sumit Kumar moderated the panel discussion. Hundreds of prospective ePGP students were logged in for the panel discussion as well.

The event started with broadcast of the recorded message from Director of the Institute Prof Bharat Bhasker who emphasised that with Indian economy leading to higher growth trajectories in medium to long term and with increased emphasis on Atma Nirbhar Bharat (self-reliant India), it is imperative that the

country does not lack the qualified managerial workforce.

Thereafter, Prof Sanjeev Prashar addressed the cohort about the achievements of IIM, Raipur in past decade or so along with the value system of the Institute. He emphasised the contributions of the institute's faculty members in research, teaching, consultancy, and executive education. In particular, Prof Prashar also highlighted IIM, Raipur's success in both on-campus and online executive education for short as well as long term programmes.

Prof Mohit Goswami highlighted the nuances of the ePGP programme and elaborated about the ways in which programme adds tremendous value for not just working professionals, but also for self-employed professionals, entrepreneurs and startup creators. In the second half of the panel discussion, the event was opened to address questions from students in which a number of questions/queries from students were answered. The event concluded with Sumit Kumar, CEO, Nulearn delivering a vote of thanks.
