

# Human chain creates awareness about Clean India, Better India

■ Staff Reporter

RAIPUR, Dec 18

ENTERING into a campaign of adopting the seed planted by Prime Minister of India, the members of team Marathon IIM Raipur Prayaas 2017 again undertook an initiative towards maintenance of a clean environment and eradicating open defecation by organising a human chain on Sunday in the heart of the city—Marine Drive.

The initiative was joined by District Collector Om Prakash Chaudhary, who appealed to the

people to provide their maximum support and make the campaign successful.

It is our responsibility to extend our support to the campaign by working at the grass-roots level, he said.

About 150 people participated in the human chain. The human chain was formed to spread awareness about ongoing efforts to mobilise and educate urban youth about making the right lifestyle choices that do not expose them to diseases.
