

IIM Raipur's summer placements see jump of 15% in average package

■ Staff Reporter

RAIPUR, Apr 6

THE 2016-18 batch of Indian Institute of Management (IIM) Raipur, consists of 204 dynamic individuals, is ready to make their mark in the corporate world. The industry response complemented the zeal of the students as more than 150 organisations offering diverse profiles and handsome stipends expressed interest in recruiting from the campus. The highest stipend offered was 2,85,000 whereas the average stood at INR 57,562. The average stipend offered to the top 10 percentile, top 25 percentile and the top 50 percentile of the batch were INR 1,59,111, INR 1,15,511 and INR 85,438 respectively.

This year's Summer Placement witnessed the participation of some more industry giants as our first-time internship recruiters such as Arcesium, Backspace Consulting LLP, Axis Bank, Berger Paints, GEP, Glencore, Godrej Aerospace, HDFC AMC, HP, Mafatlal, Maybank, Mahindra Finance, Mondelez, Sutherland, Vedanta, VMware, Walmart to name a few. With 48% of the batch placed in Sales and Marketing, it was a standout amongst the pro-

files offered this season. Wide range of recruiters offered a gamut of profiles such as Marketing, Business Development, Digital Marketing, and Sales. The prominent recruiters were companies like Amul, Bluestar, BPCL, CUMI, Dabur, DCM Shriram, DHFL Pramerica, Donear, Healthkart, Hero MotoCorp, Mondelez, Sanofi, TATA Steel, TAFE, Vodafone, Wipro and many more. Top recruiters included Axis Bank, Arcesium, Bajaj Allianz, BSE, Centrum, HDFC AMC, ICICI Bank, IL&FS, Karvy, L&T, Maybank Financial Services, Mahindra Finance, RBI, SEBI and Xpress Money. Some of the roles offered were Financial Analytics, Risk Management, Bank Loan Rating, Financial Modeling, Corporate Finance, and Portfolio Management. The sector of Operations & IT witnessed huge participation from corporate giants such as CUMI, DCM Shriram, GEP, Google, HP, Hero MotoCorp, ITC Infotech, JK Paper Mills, MAN Trucks, JSPL, L&T, Tata Steel, TVS Logistics, Sutherland, Ultra Tech Cements, Walmart Labs, WIPRO which offered a plethora of profiles related to Logistics, SCM, Plant Operations, IT Operations, Systems Management etc.
