

IIM Raipur completes final day of Leadership Summit 2017

Raipur, Sep 25:

IIM Raipur hosted the Leadership Summit 2017 during which industry stalwarts shared their perspectives to better prepare the future managers for the real-time challenges of the industry. Sharing with the students their expectations from managerial graduates, the professionals gave valuable insights on the work-

ing dynamics of the corporate world as well as entrepreneurial ecosystem.

Panel discussions on topics like 'Success of Indian Businesses: Perspectives and Challenges' and 'Early Years of New Managers and Scalability' brought forth the various opinions and viewpoints of the eminent personalities from the corporate sector. Continuing on the theme of "Leadership

And Socio-Economic Prosperity", the panel discussions for the day enlightened the students on challenges and innovations in the industry at global level as well as its relevance in India.

The question and answer sessions after each discussion kept the sessions interactive and provided a platform to the students to pose queries and seek advice from the industry

experts. The session ended with a valedictorian address by Dr. AK Dubey, Principal, GEC Raipur and a vote of thanks by Prof. Satyasiba Das. Dr. Das concluded by saying, "Leadership summit was created with an intention to create a thousand touch-points in the industry within 5 years. The Summit was a success and we are on track to achieve our goal".
