# DIRECTOR'S MESSAGE

*It is our constant endeavour to ensure that our alumni receive every kind of support both in terms of academics as well as research to encourage them in their overall career development.*

*Dear Recruiter,*

Indian Institute of Management Raipur has successfully completed Ninth Batch of academic excellence. I would like to extend my sincere gratitude to all our corporate partners and stakeholders for providing their valuable support. We look forward to strengthen this association and engage with our corporate partners at multiple levels. The alumni of IIM Raipur have proven their mettle and earned respectable positions in various other industries.

It is our constant endeavour to ensure that our alumni receive every kind of support both in terms of academics as well as research to encourage them in their overall career development. This two way dialogue also ensures that they play a crucial role in guiding the current batches.

We at IIM Raipur are dedicated towards the holistic development of the budding managers. The academic curriculum is revised from time to time based on the latest trends to ensure that our students are industry ready. Our focus has constantly been to ensure that the students get a mix of both, strong fundamentals and corporate exposure through dedicated sessions with eminent personalities from across diverse sectors.

For today's organizations, the need of the hour is responsible managers who are capable of taking sensible decisions that result in positive long-term implications for the firm, the industry and the society. Hence our approach has been designed in a way that emphasizes on enhancing the ethical sense and value systems in our students along with the necessary core business concepts which in turn will lead to the development of effective leadership skills.

I take great pleasure in introducing the Ninth Batch of our flagship PGP programme. The multifarious profiles have been selected from diverse backgrounds. The academic rigour, multitude of activities and extensive industry interface has endowed the students with essential business acumen, decision making skills and necessary aptitude. I believe that the diversity and the credentials of the batch would be a perfect fit for the various organizational needs.

I invite you & your esteemed organization to visit our campus, interact with the students and the faculty and be a part of the campus engagement process.

# IIM Raipur

## Transforming Management, Transforming India

We at IIM Raipur, are committed to prepare students for the challenging economic landscape and create graduates who will enrich your business.

We strongly believe in nurturing, training and developing the young budding managers and contribute ethically to the growth of the nation. The institute has endeavoured to march steadily towards its goal by promoting excellence in academics, research, executive education and international relations.

The strength of IIM Raipur lies in its faculty quality and students and its innovative approach to research and teaching. The scholastic and research environment has been instrumental in attracting the most competent, qualified and experienced faculty as well as equipping students with strong leadership and problem-solving skills, as well as creativity and independence.

International academic collaboration and student exchange is a key aspect of our academic strategy. International Student Exchange offers the opportunity to study in another country for one academic term or semester and gain cross-cultural experiences

Our distinctive approach is built on foundational departments integrated with strategic cross-disciplinary initiatives and rich curricular experience. We offer an environment that requires teamwork and encourages risk-taking among colleagues who are as supportive as they are ambitious. Company-specific events, Industry-focused networking events and real time challenge of strategic importance makes IIM Raipur a great place to recruit. Our students are highly motivated and come from diverse and well qualified backgrounds. Our pedagogy helps in students who can respond and adapt quickly. Our aim is to build a workforce which will not only assist you, but effectively contribute to business growth and productivity.

# MISSION

To become a world class institute with global outlook embedded with regional and national focus. An institute which will produce leaders who will serve the society as a whole and uplift all sections of society and help create a nation with strong economy and prosperity.

# VISION

Indian Institute of Management (IIM) Raipur has been set up by the Government of India in 2010. Within a short period of eight years, the Institute has successfully started Post Graduate Programmes, Fellow (Doctoral) Programmes and Executive Education. Today the Institute is known for its academic excellence, high quality research, executive education and strong corporate & international linkages.

## The Institute has set its vision to become:

- A world class institute with global outlook embedded with regional and national focus.
- An institute par excellence, which will be known for its outstanding value-based quality education, high quality research, executive education, consultancy and strong corporate as well as international linkages.
- A B-School, which will serve the society, the state and the nation to achieve economic growth and prosperity.

We believe in preparing ethical leaders who are not only committed to business, commerce and industry but are also socially conscious of their contribution in nation building and reputation of the Institute. From day one, we have set our standards high to achieve our vision. We focus on designing practice-oriented learning and a contemporary industry-focused curriculum. We encourage contemporary research concentrating on regional, national and global issues for the growth and development of the state and the nation.

# Naya Raipur

## A New Age Town

On November 1, 2000, Chhattisgarh—the 26th state of the Union of India—came into existence after the division of Madhya Pradesh. Seeing the plight, neglect and slow development of the region, former Prime Minister Atal Bihari Vajpayee decided to create the new state of Chhattisgarh. On its first Foundation day, all that Chhattisgarh had were unexplored reserves, an undermined local population, a few dams and insurgency concerns. The birth of Chhattisgarh made the impression that another backward, underdeveloped and gloomy region would now get recognition on the map of India. In the last 14 years of its existence the state has been able to create a sound economy based on an agricultural sector which has shown impressive growth as well as industrial production driven by thermal power plants. Chhattisgarh has been consistently ranked among top 3 investment destinations in the country since 2006. The state of Chhattisgarh has a robust

economy which has witnessed a double digit growth for close to eight years since 2006.

Among the many successful policies and development projects, one of the most ambitious ventures by the state government is Naya Raipur, Chhattisgarh's new capital city, which was recognized as world's first ever integrated township in January 2017.

It caters to the need of the various industrial areas nearby like Bhilai, Bilaspur, Urla, Sirgitti and Bhanpuri which made the state one of the leading producers of steel, iron, aluminium, cement, engineering products, minerals, hand-loom and blended yarns of the country.

It is due to these efforts that the state has made great strides in industrial production and is punching much above its weight when it comes to contribution to the national economy.

# Key Highlights

Accessed by a six-lane expressway, Equipped with modern mass transit system coupled with a city wide pedestrian corridor linking all major urban activities

- Lively and vibrant in character with shopping malls, multiplexes, food courts, restaurants and other intensive urban activities and recreational areas.
- An intelligent and smart city with full use of information and communication technology.

# Upcoming Campus

## New Beginnings, Endless Possibilities

The institute which is currently operating from Government Engineering College campus at Sejbahar, has its proposed campus spread across 200 acres of land. The institute aims to complete the construction by August 2018. The state of the art campus planned at Naya Raipur will be a blend of modernity and cultural heritage of Chhattisgarh. The campus will depict modern architecture and assimilate the culture and traditions of Chhattisgarh. It will facilitate the Institutes's vision to be a world class institute that has global outlook embedded with regional and national focus.

### The objectives of the two-year Postgraduate Programme are:

- To understand the socio-economic, technological, ecological and political environment of India and the world
- To hone the problem-solving skills, increase the affinity to innovation and inculcate the passion for creativity
- To develop global mindset to meet the challenges of international market and to work in a cross-cultural environment
- To develop a sense of social purpose for managerial decision-making and to develop leadership capabilities without compromising on ethical values

IIM Raipur's pedagogy continuously strives to impart students with practical knowledge by introducing them solve not less than 350 cases and a multitude of simulations over a period of 6 trimesters. The cases and simulations are carefully chosen from esteemed sources like Harvard Business Publication, Richard-Ivey etc. In addition to the Case-method, IIM Raipur constantly invites Industry experts to share real-time perspectives. All this when coupled with the strong theoretical knowledge, provides students a Global perspective and an ability to address wide array of challenges. The pedagogy thus developed attracts students from various backgrounds like Arts, Commerce, Engineering, Humanities and Sciences, Medicine and Pharmacy.

# Post-Graduate Programme in Management

The Post-Graduate Programme in Management is the flagship programme of IIM Raipur. The PGP is aimed at providing an overall development of the students and grooming them as future business leaders who can successfully face the challenge of global competition and dynamic market scenario.

The pedagogy aside, the institute places significant importance to the Student-led initiatives. With 13 clubs operating currently, every aspect of business environment is catered to by these clubs. Students also actively participate in short-term projects with local firms and Multinationals. Students also collaborate and compete in various national and global competitions hosted by academia and corporate fraternity. Our achievements at RBI Policy

Challenge, TATA Crucible, Deloitte Maverick, DCB, Yes Bank, Rotman School of Management, IIM A, B, C etc. serves as a testimony of the same.

The programme has become the foremost choice of candidates with considerable work experience, and aspiring for a management programme that can imbibe global skill-set and vision. The Ninth Batch of PGP has started this year. The Ninth batch of PGP 2018-20, after completing their Summer Internship of eight weeks in diverse domains, will choose their areas of specialization from a comprehensive list of 75 electives from all functional areas. IIM Raipur also boasts of a healthy International student exchange programme where students get a more comprehensive global outlook.

# Comprehensive Curriculum

The PGP extends over a period of two years, involving six trimesters with a summer internship at a prestigious organization. The programme is carefully designed keeping in view the changing needs of the global business scenario.

During the first year, students are exposed to basic concepts in the areas of Marketing, Finance, Quantitative Methods, Operations, Behavioural Sciences and Strategy through the core courses. These lay the foundations for all the functional areas of management and help the students develop an intricate understanding about the different facets involved.

In the second year, students choose from a range of electives to concentrate on functional areas of their interest. The areas offered at present are Finance, Operations, Marketing, Human Resources, Strategy and General Management.

A lot of emphasis during the PGP has been laid on industry based and research projects. The students, over the period of years are expected to conduct research on various aspects of management and subject it to the scrutiny and evaluation of the faculty. This is aimed at increasing the levels of comprehension the students possess in the respective topics.
