Digital Health Academy and IIM Raipur Jointly Launch India's First Post Graduate Certificate Programme in Digital Health

Raipur, India - February 22, 2023 - The Digital Health Academy and Indian Institute of Management (IIM) Raipur are proud to announce the inauguration of the first-of-its-kind Post Graduate Certificate Programme in Digital Health (PGCPDH). The virtual inauguration event was held on February 21, 2023, from 6.30 pm to 8.00 pm.

The PGCPDH programme is aimed at developing future leaders who will play a pivotal role in driving the digital health revolution in India. The programme is designed to provide a comprehensive understanding of the intersection of healthcare and technology, including telemedicine, data analytics, digital health policies, and entrepreneurship.

The virtual inauguration event was graced by eminent personalities such as Mrs. Shyamala Gopinath, Chairperson of IIM Raipur's Board of Governors, Prof. Ram Kumar Kakani, Director of IIM Raipur, Dr. Rajendra Pratap Gupta, Founder of Digital Health Academy, and Programme Directors Prof. Sanjeev Prashar, Prof. Sandeep S, and Prof. Jighyasu Gaur. Each of them spoke about the need for such a programme and how it would help foster the growth of the digital health sector.

Ms. Mevish Vaishnav, COO of Digital Health Academy, gave the vote of thanks, expressing her gratitude to all the attendees and highlighting the significance of collaborations between the healthcare and technology industries.

The PGCPDH programme is a year-long programme that includes online classes, interactive sessions, live discussions, case studies and three-day personal immersion programme at IIM Raipur. On completion of the programme, the participants will receive a Post Graduate Certificate in Digital Health jointly from IIM Raipur and Digital Health Academy.
