RAIPUR, Apr 16

IIM Raipur hosted a three-day Management Development Programme. This special programme brought together the deans, superintendents and principals of medical colleges in Chhattisgarh who are medical administrators

under the Department of Medical Education.

The enriching discussions brought ideas about the management of hospitals, with the participation of knowledgeable faculty from IIM Raipur as well as professionals who are positioned in the field of medical education.

Director and CEO AIIMS

Raipur Professor Dr Nitin Nagarkar was the guest of honour at the opening ceremony. In addition to participating in the event, Sreeram Sambasiva Rao presided over the discussion on effectively managing a crisis. The renowned Dr Yogesh Jain presented his ideas on the programme's second day, and on the third day Kousar Ali Shah

spoke about his experiences and observations.

Supply chain, procurement, and resource allocation were discussed by operations area faculty. Health Minister T S Singhdeo encouraged the participants.

Secretary Department of Health and Family Welfare R Prasanna, Director Department of Medical Education Vishnu Dutt and Department of Medical Education represented by Namrata Gandhi was also present.

Team building, emotional intelligence, stress and well-being, mentoring, and coaching along with conflict management were led by HR and OB area faculty.

The Programme Directors from IIM Raipur Professor Badrinarayan Pawar, Professor Ram Kumar Kakani and Professor Ritu Gupta worked together to ensure the event's success.
