

IIM Raipur hosts first IR dialogue

● With International Relations Committee

Raipur, Sep 19: Indian Institute of Management Raipur is excited to announce the successful conclusion of the eminent speaker session titled “IR Dialogue: Pursuing an International Career - Challenges and Opportunities,” which took place on Wednesday, 13th September with distinguished speaker Mr. Vipin Agrawal, Managing Partner at AG Management Advisory (UAE). The event was organized by the International Relations Committee of IIM Raipur. It provided attendees with invaluable insights into international career opportunities.

Mr. Vipin Agrawal is an accomplished international banking and finance professional with over 30 years of experience. An alumnus of IIT Delhi and IIM A, his career includes leadership roles at Citibank and CIMB

Malaysia, where he excelled in regional and country management positions. Recently, returning to India after over 24 years abroad, Mr. Agrawal has chosen Bengaluru as his base.

The event commenced with a brief address by Mr. Vipin Agrawal. He highlighted various facets of pursuing a career overseas. He also emphasized the importance of getting exposed to multiple cultures in order to successfully navigate through one's career.

The address was followed by an enriching

panel discussion moderated by Prof. Navneet Bhatnagar, Chairperson of International Relations. The discussion also featured Prof. Ketan Reddy, Economics and Public Policy. The panel contemplated the various trends shaping the aspects of career overseas such as global expansion, rise in cross cultural teams, increased interconnectivity during Covid-19 and importance of emerging east in global scenario. They also discussed the challenges brought by the virtual working mode post pandemic.
