RAIPUR, Sept 14

INDIAN Institute of Management Raipur (IIM) announced successful conclusion of eminent speaker session titled 'IR Dialogue: Pursuing an International Career - Challenges and Opportunities,' which took place here other day, with distinguished speaker Vipin Agrawal, Managing Partner at AG Management Advisory (UAE). The event was organised by International Relations Committee of IIM Raipur.

It provided attendees with invaluable insights into international career opportunities.

Vipin Agrawal is an accomplished international banking and finance professional with

over 30 years of experience.

An alumnus of IIT Delhi and IIMA, his career includes leadership roles at Citibank and CIMB Malaysia, where he excelled in regional and country management positions. Recently, returning to India after over 24 years abroad, Agrawal has chosen Bengaluru as his base.

The event commenced with a brief address by Vipin Agrawal wherein he highlighted various facets of pursuing a career overseas. He also emphasised the importance of getting exposed to multiple cultures in order to successfully navigate through one's career.

The address was followed by an enriching panel discussion moderated by Prof. Navneet Bhatnagar, Chairperson of

International Relations.

The discussion also featured Prof Ketan Reddy, Economics and Public Policy.

The panel contemplated the various trends shaping the aspects of career overseas such as global expansion, rise in cross-cultural teams, increased interconnectivity during Covid-19 and importance of emerging east in global scenario. They also discussed the challenges brought by the virtual working mode post pandemic.

The event concluded with a vote of thanks delivered by Prof Navneet Bhatnagar.

Bhatnagar expressed his heartfelt gratitude to all the guests, students, participants, and everyone who contributed to the event's success.
