

## IIM Raipur hosts 'Udyamee Dialogue 1.0'

Raipur, Oct 14: Indian Institute of Management Raipur hosts 'Udyamee Dialogue 1.0' on Saturday in collaboration with the Entrepreneurship cell of IIM Raipur. This event served as a beacon of inspiration for budding entrepreneurs and showcased the remarkable success stories of the institute's alumni, who have not only begun their journeys at IIM Raipur but are now leading the way as thriving entrepreneurs.

Ankur Dubey, an alumnus of the 2012 batch, is a Senior Principal at Capria Global. He is an active venture capital investor with deal-making and venture-building experience across technology, consumer, and healthcare sectors. Priyanjit Ghosh, an alumnus of the 2019 batch, is the

Co-Founder and CEO of Logy.AI. He is passionate about solving global health problems with AI and has been recognized as a key opinion leader and TEDx speaker. Saurabh Chaubey, an alumnus of the 2012 batch, is the CEO of iHub Anubhuti, a prominent Technology Innovation Hub under the Government of India. He is the General Manager of IIT Mandi Catalyst and has mentored

over 150 startups, aiding them in product development and market commercialization. The welcome note for the event was delivered by Prof. Ram Kumar Kakani, Director, IIM Raipur. The panel discussion centered on the theme "From Managers to Founders: The Enterprising Modern-Day Entrepreneurs." It was moderated by Prof. Satyasiba Das, Professor,

Strategic Management & IS, Dean- External Relations, IIM Raipur. Ankur Dubey shared his experience in venture-building within diverse organizations, spanning the realms of technology, consumer products, and healthcare sectors. Priyanjit Ghosh emphasized the importance of developing an entrepreneurial attitude early. He underscored the significance of possessing sales proficiency, highlighting it as a crucial skill in the corporate world. Saurabh Chaubey highlighted the role of incubators and government initiatives in providing a support system to entrepreneurs, which helps them forge a better connection with the business ecosystem and maintain a persistent positive outlook.
