Satyasiba Das and Professor Sumeet Gupta from IIM Raipur.

The programme aims to upgrade leadership skills of officials involved in marketing, sales and executions.

The programme's objective is to understand the executives' responsibilities better and enhance their leadership skills in the Marketing Division for professionals.

Speaking about Leadership Development Programme, Head HR, L&D Western region of Indian Oil Corporation Limited Dr V R Menon said, "We believe that investing in

the development of our early career officers is essential for our organisation's continued success and growth. This program is a testament to our commitment to nurturing leadership talent within IOCL. We are confident that skills and knowledge gained during programme will empower our officers to contribute significantly to our company's vision".

During the two-week programme, participants will engage in rigorous training, with the programme concluding with a closing ceremony scheduled for October 16.
