RAIPUR, Oct 5

INDIAN Institute of Management Raipur (IIM Raipur), in collaboration with the Indian Council of Social Science Research (ICSSR), Government of India, is hosting the programme titled 'Capacity Building Program on Academic Research Excellence for Young Faculty Members in Social Sciences.'

This comprehensive 12-day capacity-building programme began on October 3 and is being conducted at the IIM Raipur campus. The programme was inaugurated by the gracious hands of Prof Pradyumna Dash, Dean (Academics), IIM Raipur, in the presence of Programme Directors Prof Dhananjay Bapat and Prof J Daniel Inbaraj, IIM Raipur and Suyas Tiwari,

Invited dignitaries collectively lit the traditional lamp to mark inauguration of the programme.

The capacity-building programme is designed to offer the participants practical guidelines for social science research with a focus on using various qualitative and quantitative methods.

The programme will emphasise the variety of tools and techniques of research methods used in social science stud-

ies, particularly on implementing strategies for handling economic and social issues at micro and macro levels. The objective is to involve interdisciplinarity and provide direction to participants through all the stages of research—from identifying a viable research problem, data collection-questionnaire approach, focus group discus-

sion-and evaluation of the final report or quality research article. The application of methods will be illustrated using examples from diverse fields, including economics, behavioral studies, social issues related to education and health, and business.

Hands-on sessions will be conducted using software like Microsoft Excel, SPSS, and R.
