Anurag Sista Venkata Sai

of Indian Institute of Management Raipur (IIM Raipur) has been awarded esteemed Excellence Charpak Exchange

Scholarship by French Embassy, India. IIM Raipur has an excellent student exchange programme and is a beacon of global engagement.

This not only broadens the student's intellectual horizons but also forges connections on a global stage, encapsulating the institute's dedication to fostering a culture of international collaboration and excellence.

The Charpak Exchange Scholarship offers a range of benefits to support the student's educational journey. It provides a monthly living allowance of 860 euros, social security coverage,

accommodation and administrative assistance. This prestigious scholarship is designed for Indian students across all disciplines at the bachelor's or master's levels, participating in a semester exchange program between their Indian institution and a French host institution. Expressing his gratitude for Charpak Scholarship, Anurag Sai emphasised its profound impact on his academic pursuits. He said, "This scholarship has made it possible for me to pursue my exchange term without any financial burden. The recognition from the Embassy of France in India is not only an honour but also a tremendous motivation for me to continue working hard in my academic endeavors." IIM Raipur community is extremely proud to have Anurag SVSS as one of the fifteen students from India to be awarded the scholarship by the Embassy of France.
