Performance

26 November-04 December 2024

Programme Director
Dr. Mrunal Chavda

Indian Institute of Management Raipur

Introduction

This program is meticulously designed to cultivate key leadership skills such as communication, empathy, decision-making, and team dynamics, all through engaging theatre-based exercises. Participants will also enhance their self-awareness and emotional intelligence and learn to apply theatre performance principles to real-world leadership scenarios. This unique program offers an innovative approach to leadership development, blending the creative world of theatre arts with practical leadership skills. Through theatre-based exercises, participants will learn how to express their thoughts and ideas more effectively, a skill that's crucial in any leadership role. The program will help participants understand and manage their emotions better and teach them how to empathise with others, fostering a more positive and productive work environment. By exploring decision-making in directing, participants will learn how to make more informed and effective decisions. Participants will learn how to work effectively in a team and manage group dynamics, enhancing the overall productivity and harmony in the team. The program will equip participants with the ability to apply theatre performance principles to real-world leadership scenarios, providing a unique edge in their leadership journey.

The program will touch on the following key topics:
