

Management Development Program
On
Business Intelligence using Excel.

30 Aug -31 Aug 2024

Program Directors

Dr. Sourya Joyee De

Dr. Manojit Chattopadhyay

Introduction

MS Excel is a powerful and widely available tool that can be used by enterprises to analyze and manage business data. In this program, using several business problems, we demonstrate how Excel features such as pivot tables, data models and power pivot can be used to gather, visualize, and analyze data to derive tactical and strategic directions based on business data.

Objectives

The key objectives of the program are as follows:

- Understanding how to use Excel to gather data
- Understanding how to use Excel to visualize data
- Understanding how to use Excel to analyze data

For Whom

- Middle level managers
- Business consultants

Pedagogy

- Cases
- Laboratory Usage

Faculty

All sessions in this program will be co-facilitated by the Program Directors along with the subject matter experts.

He has published more than 50 papers in various reputed International journals and conferences.

Indian Institute of Management Raipur

The Indian Institute of Management (IIM) brand has now become synonymous with innovation, talent, and zeal for success and contribution to management. The Government of India set up IIM Raipur in 2010 to meet the growing demand for top-quality professionals. It is situated at Raipur in the state of Chhattisgarh-one of the fastest growing states of India, with its rich mineral, forest, natural and local resources. The Post-Graduate Programme in Management (PGP) was started in 2010, whereas Fellow Programme in Management (FPM) & Executive Fellow Programme in Management (EFPM) was started in 2013. Executive Post-Graduate Programme (ePGP) was started in 2021.

IIM Raipur has grown and improved in quality, as evidenced by the NIRF ranking of management institutes, which moves up from 18th in 2016 to **11th** in 2023.

IIM Raipur offers top-notch management education on its 200-acre, state-of-the-art well-equipped lecture rooms, a library, a simulation lab, and a pleasant lodging campus in Atal Nagar, Naya Raipur. With the goal of becoming a highly regarded business school worldwide, IIM Raipur has partnered with numerous business schools in Europe, South America, Australia, New Zealand, and the United States

for faculty and student exchange Programmes.

LOCATION

The IIM Raipur campus is located about 20 minutes' drive from the Swami Vivekananda Airport, Raipur.
