

Management Development Program
On
**Project Appraisal, Financing and Risk
Management**

03 January -05 January 2025

Programme Directors

Nidhi Sharma

Dr. Prem Singh

Introduction

This program will provide an understanding of basic techniques used in Project Appraisal. It will introduce the globally accepted and used concepts, tools and conventions for appraising the worth of a prospective project. This program will explain the basic concept of time value of money to compute discounted cash flows and other related financial parameters for Investment Appraisal. It will cover the basic criteria of financial evaluation of the projects, including criteria of Net Present Value, Internal Rate of Return and Cost Effectiveness Analysis. There would be emphasis on preparing cash flow chart for projects on the basis of relevant costs, including Salvage Value, Sunk Cost and Opportunity Cost in the process of estimation of financial costs and benefits to arrive at the financial appraisal. Further through use of some basic economic concepts, the participants will understand the economic appraisal of projects in the government setting. Finally, the program will also cover the concept of risk and strategies for risk management. The learning during the course will be supplemented by real life case studies of projects undertaken by Government. The emphasis of the program will be on applied learning through active engagement of participants.

Objectives

After completion of this program the participants will be able to:

1. Understand rationale for undertaking financial analysis of a project in the Public Sector

About Programme Directors

Nidhi Sharma has worked as an IRS officer for more than two decades. She has experience of working with the Directorate of Infrastructure, CBDT and NITI Aayog, among various other postings. She has practical experience of handling project conception and design, planning and implementation, tendering and contracting, monitoring of projects and the intricacies of policy formulation

and implementation. In addition to a hands-on understanding of the complexities of working in the field, she has an in-depth understanding of the rigorous academic concepts and their application to practitioners. She has trained civil servants of different seniorities on these topics at the Lal Bahadur

Shastri National Academy of Administration, Mussoorie for over a decade. She is a certified Master Trainer in PPP, Project Appraisal and Negotiation strategies.

Dr Prem Singh has worked as an IAS officer in the State and Central Govt. in Department of Economic Affairs and NITI Aayog. He has vast experience of project conception, planning and implementation and policy formulation and implementation. He has trained civil servants of different seniority in LBSNAA for more than a decade. He had the understanding the complexities of working in the field and can bring in rigour and depth of conceptual underpinnings of academic world. He is a certified Master Trainer in PPP, Project Appraisal & Finance, Project Management and Negotiation Strategies; and can bring in various experience of practice and theory in delivery of the Program.

Indian Institute of Management Raipur

The Indian Institute of Management (IIM) brand has now become synonymous with innovation, talent, and zeal for success and contribution to management. The Government of India set up IIM Raipur in 2010 to meet the growing demand for top-quality professionals. It is situated at Raipur in the state of Chhattisgarh—one of the fastest growing states of India, with its rich mineral, forest, natural and local resources. The Post-Graduate Programme in Management (PGP) was started in 2010, whereas Fellow Programme in Management (FPM) & Executive Fellow Programme in Management (EFPM) was started in 2013. Executive Post-Graduate Programme (ePGP) was started in 2021.

IIM Raipur has grown and improved in quality, as evidenced by the NIRF ranking of management institutes, which moves up from 18th in 2016 to 11th in 2023.

IIM Raipur offers top-notch management education on its 200-acre, state-of-the-art well-equipped lecture rooms, a library, a simulation lab, and a pleasant lodging campus in Atal Nagar, Naya Raipur. With the goal of becoming a highly regarded business school worldwide, IIM Raipur has partnered with numerous business schools in Europe, South America, Australia, New Zealand, and the United States for faculty and student exchange Programmes.

LOCATION

The IIM Raipur campus is located about 20 minutes' drive from the Swami Vivekananda Airport, Raipur.
