**BUSINESS EXCELLENCE through
LEADERSHIP**

2nd Sept - 7th Sept 2024

Programme Director

Dr. Ram Kumar Kakani &
Dr. Damini Saini

Introduction (Programme)

In today's competitive world, the path of success has become highly competitive, where any professional regardless of her designation is expected to compete strategically, and always emerge out as a winner, notwithstanding the odds. This created a need for the professional to identify, create and sustain a competitive advantage.

All of the following programmes, thus crafted, are aimed at providing every participant with in-depth understanding of his/her strengths and areas of improvement so as to develop him/her into an efficient professional and leader.

Objectives

These programmes, in general, will provide participants with an extraordinary and unconventional opportunity to invest in their professional success as an effective professional/leader. They will reflect and understand their own styles and will develop a plan to expand their zone professional influence. The program will equip the participants to make a shift to senior leadership roles. They will gain self-confidence and develop an ability to influence others to make a positive impact at both personal and professional level.

The learning outcomes, in particular, of the programmes will be:

- *Participants will be able to understand the culture of innovation and creativity.*
- *They will learn to think critically and strategically.*
- *Communicate and collaborate effectively.*
- *They will develop a sense of trust and respect in their seniors, colleagues and subordinates.*
- *They will be able to build support for change initiatives*
- *They will be able to communicate effectively in critical moments.*
- *They will master problem analysis and decision-making.*
- *They will be able to respond to the expectations of different stakeholders.*

For Whom

This program is for **Executives at SENIOR- LEVELS** and officers who are now in leadership assignments and are expected to be increasingly assigned team-based leadership roles in their organizations.

Pedagogy

The program will be conducted in a participant-centered workshop mode. The methodology adopted will be a combination of the case method, classroom simulations/exercises including role plays. Also, some mini-lectures will be used to have a better understanding of the themes. The program will focus on helping participants reflect on their leadership styles and notice the gains of effectively handling these styles. Participants will get on-the-spot assignments with real time correction and coaching from the best faculty of IIM Raipur.

In addition, participants will use self-assessment tools for knowing their personal skills and areas of improvement and will devise improvement plans accordingly.

Faculty

All sessions in this program will be co-facilitated by the Program Directors along with the subject matter experts.
