

IIM's EPGP Batch 3 kicks off 2nd campus immersion programme

■ Staff Reporter
RAIPUR, May 29

THE Executive Post Graduate Programme in Management (EPGP) Batch 3 at the Indian Institute of Management Raipur (IIM Raipur) has commenced its second campus immersion programme. The EPGP Batch 3 comprises a diverse group of professionals, with 82 per cent male and 18 per cent female participants from various fields.

Participants bring substantial experience, ranging from 25 months to over 61 months, and represent a wide age range from 25 years to over 45 years. The cohort includes professionals from MNCs, banking and financial institutions, government bodies, self-businesses, and corporate entities, both from India and abroad, including the USA, UAE, UK, Singapore, Kuwait, and Kenya, fostering a global

learning environment.

The immersion programme commenced with a seminar on Social Entrepreneurship. Commissioner of MGNREGA, Department of Panchayati Raj and Registrar Co-operative Societies Chhattisgarh Deepak Soni was the chief guest. He shared insights on social entrepreneurship initiatives, including the 'vocal for local' move-

ment, and emphasised the importance of generating self-employment opportunities and energising cooperatives. He also discussed the '6Ps of Social Entrepreneurship' and engaged in an interactive session with the participants.

He emphasised the importance of generating self-employment opportunities and energising cooperatives to

drive the economy.

The participants had an opportunity to interact with distinguished alumni including Client Solutions Director at Dell EMC (Singapore) Nagesh Madhwal and Senior Product Manager at GAIN Credit, TEDx Speaker and Author Richa Kumari. They shared their experiences and insights on managing studies, family, and work, highlighting the significance of consistency and leveraging the EPGP degree for professional growth.

Later, IIM Raipur's International Relations Office organised an IR Dialogue panel discussion on 'Opportunities and Challenges for Global Business Leaders of Tomorrow'. The campus immersion programme promises to continue offering transformative experiences, preparing EPGP Batch 3 participants to become future business leaders with a global perspective.
