

IIM-R launches eMBA course for professionals

STAFF REPORTER ■
RAIPUR

Chhattisgarh's Indian Institute of Management - Raipur (IIM-R) on Wednesday launched

an eMBA course for the professionals.

A press communiqué from the institute said that the course will be run in hybrid mode with a meticulously crafted curriculum

for professionals aspiring to take on leadership roles in the future.

As many as 145 professionals were so far enrolled in this immersive course, consisting of 40 females and 105 male aspirants, it

said.

Chief Guest of the launch ceremony was Dr Niharika Rai, HR Leader, Microsoft Security IDC along with Prof Ram Kumar Kakani, Director, IIM-R and other esteemed faculty and staff members of the institute.

Addressing the gathering, Kakani said, "Our two-year Executive MBA (eMBA) program is designed such that it will not only increase your knowledge base but also give a holistic development through exposure to international universities. The cohort this year represents a remarkable diversity of industries and expertise, which will foster collaborative growth. After these two years of learning, you will become an alumnus

The batch boasts a diverse range of student body, comprising individuals with experience from various industrial backgrounds.

The major sectors include insurance, finance, healthcare, commerce, automotive etc. This diversity not only brings a wealth of knowledge to the program but also extensive networking opportunities.
