RAIPUR, Feb 17

INDIAN Institute of Management (IIM) Raipur, a leading institution recognised for Building Business Owners has announced the commencement of applications for its full time PhD Programme 2025. The last date to apply is May 10.

This full-time, fully funded programme is meticulously structured to develop globally recognised scholars equipped to contribute significantly to the field of management research and education. Inviting aspiring candidates, Director IIM Raipur

Professor Ram Kumar Kakani shared, "Our institute is devoted to fostering a research-driven academic environment that empowers scholars to push the boundaries of knowledge and innovation. Our PhD programme provides a robust platform for aspiring researchers to engage in high-quality, impactful studies that contribute to both academia and industry. I extend an invitation to all those who seek to shape the future of management thought and practice."

The doctoral programme spans four-years and is split into three phases: Fundamentals of Management, Specialisation and Doctoral Dissertation respectively. It offers research opportunities in various domains including Economics and Public Policy, Finance and Accounts, HRM and Organisational Behavior, Humanities and Liberal Arts including Business Communication, Information

Systems, Marketing, Operations and Quantitative Techniques, and Strategy and Entrepreneurship. To promote research excellence, the programme offers financial support including a monthly stipend of Rs 50,000 for the first two years and Rs 55,000 for the subsequent years along with Rs 2 lakh grant for national and international conferences. Doctoral scholars will also receive a contingency grant and one-time support of Rs 50,000 for research-related resources. Candidates with a valid GATE, GRE, GMAT, JRF (UGC/CSIR), UGCNET with CAT score (July 1, 2023 onward) and a Master's/PGP from IIMs or equivalent (min 55 per cent marks) can apply. Those with CA/ICWA and a degree, CS with B Com (min. 60 per cent marks), a 4-year B.E./BTech/BArch (minimum 6.5 CGPA), or a 5-year Integrated Master's (minimum 60 per cent marks) are eligible.
