

# IIM Raipur to conduct PhD programme in different subjects in last week of May

■ Staff Reporter

RAIPUR, Apr 23

THE Indian Institute of Management (IIM) Raipur will conduct Doctorate of Philosophy (PhD) programme in different subjects in last week of May and for it eligible candidates can do registration to the institute till May 10th.

At present, IIM Raipur offers PhD programme in Economics and Public Policy, Finance and Accounts, HRM and Organisational Behaviour, Humanities and Liberal Arts, Information Systems, Marketing, Operations and Quantitative Techniques and Strategy and Entrepreneurship.

It may be mentioned here that, IIM Raipur offers stipend to its research scholars, which is considered one of the highest amongst all higher educational institutions of the state.

In first two year of PhD programme, it offers stipend of 50,000 rupees per month and next two years, it will be raised to Rs 55,000 per month.

In first two year of PhD programme, it offers stipend of 50,000 rupees per month and next two years, it will be raised to 55,000 rupees per month. Apart from stipend, the institute also offers money to attend national and international conference, workshops and training programmes.

In this PhD programme, for management programmes, only CAT scorer will be allowed to do registration while in technical related subjects, GATE, GRE and GMAT scorer will be allowed to register.

In finance and accounts, professional Chartered Accountant is eligible to apply and in Economics and Humanities and Liberal Arts section, UGC-NET JRF and Assistant Professor clear students of economics, sociology, psychology and English Literature will be allowed to register for programme.

After shortlisted, the institute will call students for appearing in interview session which is scheduled to take place in last week of May and here successful shortlisted candidates should bring all important documents such as school and college passing certificates and also of Research Proposal.

Dr Vivek Ambus, Doctorate from IIM Ahmadabad said that it is one of the golden opportunities as with attractive stipend, scholars will get ample scope and options to do their research work freely.
