

Management Development Program On **Strategic Thinking** **16-18 November 2025**

Program Director
Dr Satyasiba Das

Introduction (Program)

You need to think strategically to help position yourself, your team, and your company for long-term success. Learn how to add value by thinking big, challenging your assumptions, and identifying threats and opportunities.

Why is strategic thinking needed?

Strategy is a powerful tool to achieve superior performance. Organizations without a clear strategy lose direction and their competitive advantage. But what is strategy? How can leaders make sure that the organization has a clear strategy and what makes decisions strategic? This management development program aims to develop comprehensive skill building to help leaders ensure that their organization has its strategy. It will help them identify strategic decisions, know where to focus, and to help them think more strategically.
